

## *Friendship (Freundschaft)*

*Bonhof, Stielike, Netzer  
Allan Simonsen, Golden Ball  
Heynckes and little Berti Vogts  
Moenchengladbach legends all*

*Keegan, Smith and Cally  
Stevie Heighway down the wing  
Joey munched the 'Gladbach  
And Toshack was our King*

*Liverpool and Borussia  
Foes in Europe, way back when  
Would follow each other's fortunes  
Though they never played again*

*For Emlyn and for Hillsborough  
And year on year they came  
Die Fohlen on the Spion Kop  
Friendship, the name of the game*

*Our Roman glory, their Roman ruins  
An anniversary, now thirty years  
Liverpool return to The Final  
In Germany, relegation and tears*

***YOU'LL NEVER WALK ALONE.***
